CHURCH**

**ONE STORY**

**MISSIONS  
STRATEGY  
2021**

**... SO IT IS IN THE  
BODY OF CHRIST ...  
FOR THOUGH WE ARE  
MANY, WE'VE ALL  
BEEN MINGLED INTO  
ONE BODY IN CHRIST.  
THIS MEANS THAT WE  
ARE ALL VITALLY  
JOINED TO ONE  
ANOTHER, WITH EACH  
CONTRIBUTING  
TO THE OTHERS.**

**ROMANS 12:5  
(PARAPHRASE)**

OUR HUMAN IDENTITY IS  
WOVEN INTO ONE STORY. A  
STORY OF JESUS UNITING  
HIS FOLLOWERS ACROSS  
CULTURAL AND ETHNIC  
LINES AS MEMBERS OF  
HIS GLOBAL FAMILY.

AS YOU GO THROUGH THIS  
BROCHURE, CONSIDER HOW  
YOU MIGHT BE A PART OF  
MAKING THIS A UNIFIED  
STORY THAT SEES THE  
NATIONS DISCIPLED, THE  
NEEDY PROVIDED FOR, AND  
THE LOST CALLED HOME.

# MISSIONS AT NEW HOPE

# FAR WEST QLD

**PARTNERS:  
DENIS AND ROSE WOOLDRIDGE**

## STRATEGY

Finding and partnering with an organisation to pass on the work of providing practical assistance and pastoral support to those in the remote outback where there is no local church.

## UPDATE

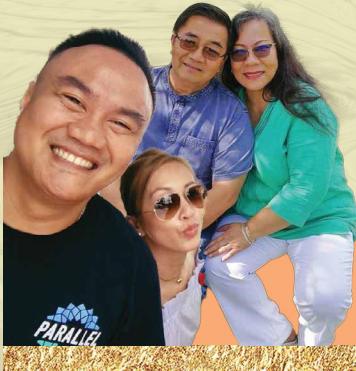

Over this past season, we have received letters from several families expressing their heartfelt gratitude towards New Hope people for our ongoing support and encouragement. We're in negotiations with an organise who can hopefully take on the work of supporting farmers and their families in far West Queensland who are still facing the challenges brought on by the drought.

## MY PART

Pray for negotiations with partner organisations who can continue the work begun by Denis and Rose. Scan the QR on the back page to be notified of future trips out west.

# PHILIPPINES

- PARTNERS:
- EDGAR AND EDNA BANTIGUE
- GIO AND LEAH BANTIGUE

## STRATEGY

To finance on-the-ground pastors travelling the country to train local churches and leaders in discipleship. To provide support for feeding programs of less fortunate families.

## UPDATE

“We have opened a new outreach church in Calawisan, Lapulapu. We've started inviting children through feeding and gift giving. We have seen the wonders of God during this season. A lot of our church members are committing themselves to ministry involvement. Discipleship is growing like never before. Despite COVID, there are more than 10 churches currently building. God is showing us that no pandemic can stop His work. Hallelujah!”  
- Leah Bantigue

## MY PART

Give towards the feeding program. Pray that as children receive practical help, it draws families to church and to faith. Pray for expansion of discipleship.

# SRI LANKA

- **PARTNERS:**
- **PETER AND ROBYN PATTERSON**
- **RASIKA JAYASOORIA**

## STRATEGY

To continue empowering discipleship training and the multiplication of new leaders through online conferences and training sessions.

## UPDATE

Despite the challenges COVID-19 has brought to the nation of Sri Lanka, our partners on the ground have persevered, utilising online platforms to continue their training. Through these platforms, regular training sessions and conferences are being delivered to those in both urban and regional areas, further empowering the development of new leaders throughout the country.

## MY PART

Pray for opportunity for leaders to implement discipleship. Pray for peace and provision for those impacted by pandemic.

# COMPASSION

**PARTNERS:  
DEAN WALLACE**

## STRATEGY

To release children from poverty in Jesus name. Focussing on children in Cebu, Philippines.

## UPDATE

Most centres continue to make home visits to check on children and their families, while a few throughout the country are limited to phone calls and supply drop-offs due to the pandemic. Your sponsorship allows local staff to continue to give relief-supplies to families and children. They have been able to distribute over 1.3 million food packs and over 926,000 hygiene kits. Additionally, nearly 160,000 people have been provided with medical support during this season.

## MY PART

Sponsor a child via QR on back page. Write letters to your sponsor child if you have one. Pray for the workers of Compassion and the local partner churches delivering relief.

# AFGHANISTAN

- PARTNERS:
- ACCI MISSIONS
- JOHN HUNT

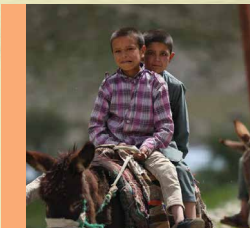

## STRATEGY

To partner with ACCI missions to finance workers who have been on the ground for over 30 years to help the vulnerable move to safety.

## UPDATE

It is expected that Afghan believers and their families will cross the borders and arrive in surrounding countries. ACCI is preparing for the arrival of traumatised people needing to find safe places to settle, and then some sources of employment to give them a regular income. We anticipate that their stay in another country will be for many months, even years. New Hope's generosity of over \$40,000 has already been received and making an impact on the ground.

## MY PART

Please continue to pray for the many Afghan believers, refugees, foreign workers, Christian workers and the future of Afghanistan.

# TEEN CHALLENGE

**PARTNERS:**  
**CRAIG WATSON**

## STRATEGY

## UPDATE

Over the last 12 months we have seen members from teen challenge being baptised every time we host a baptism Sunday. Many of the boys are being disciplined in our lifegroups and have also joined teams and are currently serving in church. We're always looking at new ways we can support and encourage the boys to grow and develop.

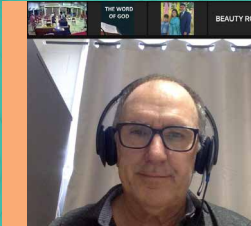

## MY PART

Pray for all the boys that are in the program.
